

# ROBOT USER POLICY

Robots may be checked out by patrons of the North Judson-Wayne Township Public Library for in-library use only. Robots can be checked out at the circulation desk for up to 3 hours. Any malfunctions or damage must be reported to Library staff immediately.

Failure to return a Robot on time will result in late fees of \$5 per hour. Damage to or loss of a robot and/or iPad while checked out may result in replacement costs of up to \$750, in addition to any late fines and processing fees incurred. Failure to return a robot, or return of a robot with extensive damage, will result in a suspension of robot borrowing privileges. The length of the suspension may vary, up to and including permanent suspension.

## PLEASE NOTE:

1. Robots are primarily for academic uses by students of the North Judson-San Pierre School Corporation.
2. Patrons between the ages of 15 and 18 may access the robot without parental permission. Patrons aged 12-14 must have signed parental consent on file to access the internet. All children under age 12 must have a parent or legal guardian present while operating the robot. A photo ID must be presented for verification of age. An acceptable ID includes school ID, driver's license, or state ID.
3. Robots may be renewed if no one is on the reserved list.
4. Borrowers may have only one robot checked out at a time.
5. Robots may be reserved in advance. If not reserved, they are available on a first-come, first-served basis.
6. When a robot is checked out, the patron assumes financial responsibility for that property.
