

# **VENDOR CERTIFICATION POLICY**

This policy ensures compliance with IC 5-22-16.5-13, IC 5-22-16.5-12, IC 5-22-16.5-11, and IC5-22-16.5-9, regarding the awarding of governmental contracts and renewal contracts. Indiana law requires the Library to have a statement from the vendor certifying in writing that they are not engaged in investment activities in Iran or to incorporate this statement in the vendor's contract.

Adoption of this policy further ensures that any future State or Federal policy placing similar limitations on doing business will be automatically adopted as Library policy.
